## Weddings & Private Events

Hellofoto Booths believes in real customer satisfaction and if you are happy we are happy. We only aim to please and provide an unforgettable photo booth hire experience that you and your guests will cherish forever. Our professional service along with our high quality products makes the perfect combination to hire a photo booth from us. We offer the classic 2x6 photo strips. The ones that we all remember and associate with photo booths.

We aim to provide the most competitive party packages around as we understand the high costs that come with hosting a party. We use the most popular and reliable photo booth in the industry, ranking as the number one photo booth in the USA.

*“Our photo booth packages offer unlimited double prints as standard”*

Our sleek, fashionable and highly portable photo booths will fit perfectly at any type of party; wedding, graduation, prom, corporate events and awards evenings to name a few.

## Before the event...

### Choose your package and extras...

You design your package to your needs. You can choose the amount of hours you require the booth from 3 hours to how ever many you desire. You can a luxury album, unique photo strip frames and magnetic frames. The possibilities are endless.

### Add a personalised logo...

If you choose to have a logo we can help you make it. This will appear in place of the 4th photo on your photo strips. This is a perfect way to personalise your photos and give your guests a lasting memory of your party.

### Add In-Booth Video Messaging...

Not only can you capture a snap shot of your guests but you can also choose to have video messaging enabled. We can set the length of the video from 10 seconds to 60 seconds giving your guests the opportunity to leave you a personal video message We then edit and burn them all on to a DVD for you to watch over.

## During the event. . .

Our photo booths are real and have the fabulous retro look. This means that they are easily recognisable and your guests just won't be able to wait to get in have a few shots of themselves.

### **The choice of colour and black & white. . .**

When you and your guests enter the booth our booth butlers will help you choose between colour or black and white photos.

### **The super cool prop box. . .**

Our full to the brim prop box will help intensify the fun of the photo booth. The props are complimentary in all our packages. The wide range of wigs, hats, masks and glasses will really help capture some hilarious shots.

### **\*Instant Facebook, Twitter & email upload. . .**

Each individual photo will be given an unique code that you can find on the web from your mobile, tablet or pc and you can directly upload to you desired social network without having to enter sensitive data.

### **Photo album/ guest book. . .**

Our booth butlers will help create a fantastic photo album which will double up as your guest book during the event with our high quality leather albums.

### **Keyrings and magnetic photo strip frames. . .**

We always come equipped with keyrings and magnetic strip frames just in-case your guests want to purchase them to safely secure and display their photographic memories.
